Destroyer

Phantogram

Empty, heavy eyes
Drift away to my heaven
Whatever waits inside
I'm just a ghost you think you know
Was there something that you wanted to say?
GoodbyeMy time has come
My head is falling off
I can kill you all
And finally be alone
Destroyer, destroyerKeep you here a while
And if I'm never forgiven
You can't say I didn't try
I tried, I tried to save so many lives
I guess my heart got carried away
I guess the dark turned off the light
Was there something that you wanted to say?
GoodbyeMy time has come
My head is falling off
I can kill you all
And finally be alone
Destroyer, destroyerMy time has come
My head is falling off
I can kill you all
And finally be aloneI am alone, I am alone
Destroyer, destroyer
I am alone, I am alone
Destroyer, destroyer
