

Slow Motion TV (2000 Digital Remaster)

Phil Manzanera

Ainley-MacCormack-Manzanera
It just can't be what it seems
 The song is solemn
 Got you full of dreams
Press the button and the lead singer screams
 It's like slow motion TV
Are you sure that it really don't matter to you
 It's like slow motion TV
 And on the replay
 It could be you or me
The papars say you can believe what you see
 But what you see isn't real
Are you sure that it really don't matter to you
 It don't matter to me
Are you sure that it really don't matter to you
 I'll sit and watch if you please
 You've heard the rumours
 You've seen the news
 You've read the papers
 It takes it's time
 Less and less noise
 It took you less
 Until you made your choice
Coloured pictures on your TV screen
 In 20 years it could happen to me
 Feeling tired, close your eyes
 What do you see
 I see myself
 It's like slow motion TV
 What you see isn't real
 But if it isn't
 What is real
 Take it easy
 It's true what you feel
 Coz it don't matter to me
Are you sure that it really don't matter to you
 It don't matter to me
Are you sure that it really don't matter to you
 It don't matter to me

Are you sure that it really don't matter to you

I'll sit and watch if you please

Are you sure that it really don't matter to you

It don't matter to you
