

# I Still Do

## The Cranberries

I'm not ready for this  
Though I thought I would be.

I can't see the future  
Though I thought I could see.

I don't want to leave you  
Even though I have to.  
I don't want to love you.

Oh, I still do.  
Need some time to find myself.

I want to live within.  
Can I go my own way?  
Can I pray my own way?  
I don't want to leave you.

Oh, I need you.  
Am I ready for this?  
Did I think I would be?  
Can I see the future?

No, I can't see.  
I don't want to leave you  
Even though I have to.  
I don't want to love you.

Oh, I still do.
