

Diners Only

The Avalanches

Who is it? Ohh, he asked me
Susie, Susie, Susie, he's looking at you
Got the bockily, bock it down on me
Got the bockily, bock it down on me
Spockily
Bockily, bock it down on me
Got the bockily, bock it down on me
Got the bockily, bock it down on me
Got the bockily, bock it down on me
Got the bockily, bock it down on me
Spockily
Bockily, bock it down on me
Spockily
Bockily
Spockily
