Sociopaths

Marty Friedman

Determination against all odds
The deck is stacked by the ones holding the cards
A rigged game we're all made to play
Refuse the system, drop out of the raceIt's time to set it off right now
The only way is to burn it down
Stop? No, we cannot be stopped
We are a force unimagineable
No return, the lines are drawn
Take your stand against the ones deemed infallibleSweat dripping from brows
The breaking of backs
Gears grind endlessly to keep the machine intact
Preparing the feast for the sociopathsCrushed beneath the heavy weight of the world
Reality has become a nightmare
Cast off these chains
Free yourself from the clutches of psychological warfare(Pre-chorus)(Chorus)And when you've taken all there is to give
Will you still be wanting more? (wanting more, will you still be wanting more)Our society is running on empty
The parasites have bled us dry
Cut off their blood supplyGears grinding endlessly to keep the machine intact
Shut it down (shut it down)(Chorus)
