

# Schmack!

## Steriogram

It's the same old guys in the same old house  
Lying around doing nothing on the same old couch  
Oh no not another day doing nothing  
The only thing we get is the TV lovin'  
Then it happened our boy had an idea  
Put this ad in the paper and see what would appear Boredom's the matter with me  
(Then it happened boy)  
I wanna fight it  
(Then it happened boy)  
You wash the dishes baby  
(Then it happened boy)  
I'll do the dryin'  
The ad was pretty simple and this is how it read Female flatmate wanted  
(If you're pretty come on)  
(Beautifully fully furnished water front views)  
Female flatmate wanted  
(If you're pretty come on)  
(Deluxe apartment would you like to move)  
Female flatmate wanted  
(If you're pretty)  
(Ring the number provided and come on over) Well they got so many calls that the lines were jammed  
So many girls numbers they had too much on their hands  
When they turned up they knew they would survive  
Beautiful women turning up four or five at a time Female flatmate wanted  
(If you're pretty come on)  
(Beautifully fully furnished water front views)  
Female flatmate wanted  
(If you're pretty come on)  
(Deluxe apartment would you like to move)  
Female flatmate wanted  
(If you're pretty)  
(Ring the number provided and come on over) When they left they gave their name and number  
And said don't forget to call you gotta remember  
This went down in history  
As the slickest and figgest girls you've ever seen Boredom's the matter with me  
(Then it happened boy)  
I wanna fight it  
(Then it happened boy)  
You wash the dishes baby

(Then it happened boy)  
I'll do the dryin'  
The ad was pretty simple and this is how it read  
If you're pretty come on  
If you're pretty  
If you're pretty come on  
If you're pretty  
If you're pretty come on  
(Female flatmate wanted)  
If you're pretty  
(Female flatmate wanted)  
If you're pretty come on  
(Female flatmate wanted)  
If you're pretty
