DARE (DFA Remix)

Gorillaz

It's coming up, it's coming up
It's coming up, it's coming up
It's coming up, it's coming up
It's dareIt's dareYou've got to press it on you
You just think it
That's what you do baby
Hold it down dareJump with them all and move it
Jump back and forth
And feel like you were dare yourself
To work it outNever did no harm, never did no harm
It's dareIt's coming up, it's coming up
It's coming up, it's coming up
It's coming up
It's dare
It's dareYou've got to press it on you
You just think it
That's what you do, baby
Hold it down dareJump with the moon and move it
Jump back and forth
It feels like you would dare yourself
To work it outNever did no harm
Never did no harm
It's dareIt's coming up, it's coming up
It's coming up, it's coming up
It's coming up
It's dareNever did no harm
Never did no harm
It's dareIt's coming up, it's coming up
It's coming up, it's coming up
It's coming up
It's dareOhYou've got to press it on you
You just think it
That's what you do, baby
Hold it down dareJump with the moon and move it
Jump back and forth
And feel like you would dare yourself
To work it outYou've got to press it on you
You just think it
That's what you do, baby

Hold it down dareJump with them all and move it
Jump back and forth
It feels like you would dare yourself
To work it out
