

Love, You Ain't Seen The Last Of Me

John Schneider

I been losin' my mind, one love at a time

Gettin' up just to be knocked down

But with all of that pain I come back again

And I always go one more round

Women, me and love, we just can't get it right

Well, I may lose the battle but I love the fight

Well love, you ain't seen the last of me

I just keep comin' back to see if I can capture the dream

Love, you done all you could do to me

I don't give up so easily, no, you ain't seen the last of me

I got a big long list of all the times I've missed

When I zeroed in on love

And at times it seem like one heartache began

Where the last one has just left off

And tonight it looks like another one is aimed at my heart

But she's looking at me and I'm feeling that feelin' start

Oh love, you ain't seen the last of me

I just keep comin' back to see if I can capture the dream

Oh love, you've done all you could do to me

I don't give up so easily, no, you ain't seen the last of me, go

I said tonight it looks like another one is aimed at

my heart

But she's looking at me and I'm feeling that feelin' start

Now love, you ain't seen the last of me

I just keep comin' back to see if I can capture the dream

Yeah love, you done all you can do to me

I don't give up easily, no, you ain't seen the last of me
