

# Your Hands

Yoko Ono

Anatano te, konnani kireina  
Anatano te, yumenimade miru  
Your hands, so beautiful  
Your hands, I even dream about them  
Anatano hade, konnani atsui  
Anatano hade, yumenimade miru  
Your skin, so hot  
Your skin, I even dream about it  
Ichinichi ni  
Nando attemo aitarinai  
Isshoni  
Nando attemo aitarinai  
In a day  
No matter how many times we meet  
It's not enough  
In a lifetime  
No matter how many times we meet  
It's not enough  
Isshoni  
Nando attemo aitarinai  
Ikusei ni  
Isshoni  
Nando attemo aitarinai  
In a lifetime  
No matter how many times we meet  
It's not enough  
In many lifetimes  
No matter how many times we meet  
It's not enough  
Futarino koi konnani tsuyoi  
Futarino koi konnani moroi  
Futarino koi itsumademo  
Our love so strong  
Our love so frail  
Our love forever  
Konnani kireina  
Anatano me  
Your eyes, so beautiful  
Your eyes
