

# Escapade

## Sabre

As I was walkin' by, saw you standin' there with a smile  
Lookin' shy you caught my eye thought you'd want to hang for a while  
Well, I'd like to be with you and you know it's Friday too  
I hope you can find the time this weekend to relax and unwind  
My mind's tired, I've worked so hard all week  
Cashed my check, I'm ready to go  
I promise you, I'll show you such a good time  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
Let's go  
Escapade, we'll have a good time  
Escapade, leave your worries behind  
Escapade, well you could be mine  
Escapade, an escapade  
So don't hold back just have a good time  
We'll make the rules up as we go along  
And break them all if we're not havin' fun  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
Let's go  
Escapade, we'll have a good time  
Escapade, leave your worries behind  
Escapade, well you could be mine  
Escapade, an escapade  
My mind's tired, I've worked so hard all  
Worked so hard all week  
I just got paid, we've got it made ready to go  
I promise you, I'll show you such a good time  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
Let's go  
Come on baby, let's get away  
Let's save your troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade  
On an escapade baby
