

# Text Me Back

## Your Favorite Martian

I'm checking out your Facebook  
I drive past where you work  
You tell me you're my girlfriend  
But are you even on planet earth?  
I see you out with your friends but  
Yo who the hell is that dude?  
You're not playing with me are you girl?  
Well hell, I wouldn't put it past you  
I hate that you just won't text me  
You say you're out with Becky  
Why you dress so sexy  
I check my text every five seconds obsessing  
That you're in another dude's bedroom undressing.

He's got you pressed on your back  
It's a wrestling match  
Well anything he's good at  
I'm the best at that  
My heart was broken  
I was hoping it would be left in tact  
So please let's just chat  
Just text me back!

I wasn't crazy  
I wasn't crazy  
I wasn't crazy  
Until I met you  
Crazy  
I wasn't crazy  
Until I met you

I refresh your Facebook  
Analyze all your wall posts  
Why'd you leave a smiley face on that one dude's page  
Or whatever you call those  
The fact that you flirt with  
That dirty rat that you work with  
I feel the love boat sinking  
I'm trying to bring it back to the surface

Why do you keep pictures of your ex around?  
You think he's better than me?  
Why you letting me drown?  
In my own imagination  
That I face when I'm alone  
I'm going to wait until you sleep  
And then I'm going through your phone  
'Cause I don't believe you when you tell me  
He's only a friend  
I'm not possessive, I'm depressed  
You let me feel lonely again  
So I'm sitting in my bedroom checkin' your Facebook  
Checkin you're Facebook  
Text me back!

I wasn't crazy  
I wasn't crazy  
I wasn't crazy  
Until I met you  
Crazy  
I wasn't crazy  
Until I met you  
I wasn't crazy  
I wasn't crazy  
I wasn't crazy  
Until I met you

I had a dream that I killed you  
I'm not certain what it means  
I didn't say that I would do it  
I said it was a dream  
Anger is the lone emotion flowing through my veins  
Knowing you I may spend the night  
Going through some pain  
Call me insane call me obsessed  
The fact remains that I will rage  
Unless you text me back!

I wasn't crazy  
I wasn't crazy  
I wasn't crazy  
Until I met you  
I wasn't crazy  
Until I met you

I wasn't crazy  
Until I met you

I wasn't crazy  
Until I met you

I wasn't crazy  
I wasn't crazy  
I wasn't crazy  
Until I met you
