Citalopram Blues

Will Wilde

I got depression in my heart
And drugs all in my brain
Depression in my heart
And drugs all in my brain
But all the medication in the world
No it just don't
Oh no it just don't ease the pain

Verse1:
I went to the doctor
To see what he could do
He said boy I got something
I got something for you...(Chorus)

Verse 2:
I feel so nervous
I don't know what to do
And I just don't know girl
If I'm gonna make it through...(Chorus)
