

# Outrages

## Mac Dre

6 years ago, could've called me in to chow  
loempia , but mothafuckin now,  
im eating gourmet plates with roller skates,  
on the verge of greena, sippin aquafina,  
fuck a beamer, nigga, im ridin benz,  
range rover on 20 inch rims,  
blades couldn't see me with contact lense,  
false nigga takin up 2 spots when i back in,  
and i got twins, matchin 4-4s,  
i ride woah wagons, the kind with 4 doors,  
no broke hoes, cuz broke's contagious,  
I'd rather bachelor ball, and do this thing outrageous,

[Chorus]

im most wanted like Wasona,  
by folks who cool me in jama,  
and bring the drama, mothafucka hama,  
Jeffrey Dahmer type,  
see i eat niggas, bleak niggas, and dont fuck with weak niggas  
peep niggas get this in your harddrive,  
uncut old school game from the archives,  
sparks fly, marks die, nigga im committed,  
this cutthoat thing, i eat it up and shit it,  
niggas know to quit it, when i spit it,  
or get sent to the mortuary to get outfitted,  
no farm leaguing, im in the majors,  
batchelor ball, doin it outrageous

[Chorus]

Gangstas how i do it, protect my environment,  
im gon' keep on doin it, never think about retirement,  
i love to tussle, if ya must know,  
i fuck with pirate types, nothin but them cutthoats,  
my niggas few the streets, lows so deep,  
tryn to catch a nigga slippin or sleepin,  
they'll leave the streets, wet like a fuckin storm,  
shave ya ass like the children of the corn,  
to this game i was born, by this game i was raised,

sellin bass rocked hubbers, back in the days,  
my life is like a book and this is one of many pages,  
batchelor baller, doin it outrageous
