Great to be a k-9 closer to [unasured?][Watch?] your rich perversionsWouldn't you think I have no thoughtWouldn't you think I have no thoughtIt's a strange decision when the foe bears the controlWhen with [them?/pain?] I sit in dung crying through a purr-snoreWhen I've got the hunger rest [in peace?] so he'll be thereWith the last attatchment food withdrawal I cannot bear
Simple calculation now the steps are [false rich?]Shot clawVision recked
K-9(?voices in backgrnd)It's not fit to piss inWhy not move so I won't stay
