Skinny Puppy

"I've got no fucking monitor"

"I've got no fucking monitor" all your fucking monitors

Seeing through the keyhole

Watching master beating her Creep [video?] [hits?/eats?] her Faced with death [Ratting?] you

Great to be a k-9 closer to [unassured?][Watch?] your rich perversions Wouldn't you think I have no
thought Wouldn't you think I have no thought It's a strange decision when the foe bears the control When with
[them?/pain?] I sit in dung crying through a purr-snore When I've got the hunger rest [in peace?] so he'll be
there With the last attachment food withdrawal I cannot bear

Simple calculation now the steps are [false rich?] Shot claw Vision reeked

K-9(?voices in backgrnd) It's not fit to piss in Why not move so I won't stay

Kick me out in out [Toss?/Force?] my effects [inside the ???/in solitary?/in solidarity?] Open your eyes thanks
for a kick

Worry [understand?/understatement?] Feign emotion don't turn around
