

# Longshot

## Darling Daizy

And I ain't no doctor  
And I ain't no noise  
Ain't no lawyer, babe  
And nothing could be wise  
Ain't got no aristocrat  
Ah, hangin' in my tree  
So tell me, little mama  
Why you messin' with me  
Looks like a long, longshot baby  
Lookin' like a longshot baby to me  
I don't walk with the president  
I don't mess with the prime  
I ain't got no big shots, babe  
Workin' for me overtime  
I can see you're sophisticated  
Ah, with your goody two shoes  
So tell me how you [Incomprehensible] babe

I got nothin' to lose  
Looks like a long, longshot baby  
Lookin' like a longshot baby to me  
And I ain't no sinner  
And I ain't no saint  
I ain't no hypocrite, babe  
?Cept most everyday  
I ain't got no religion  
Ah, cloudin' up my brain  
So tell me, little mama  
Ah, why you jumpin' my claim  
Looks like a long, longshot baby  
Lookin' like a longshot baby to me  
Looks like a long, longshot baby  
Lookin' like a longshot baby to me, yeah
