

You're Getting To Be a Habit With Me

Frank Sinatra

Every kiss, every hug
Seems to act just like a drug
You're getting to be a habit with me Let me stay in your arms
I'm addicted to your charms
You're getting to be a habit with me I used to think your love was something
That I could take or leave alone
But now I couldn't do without my supply
I need you for my own Oh, I can't break away
I must have you everyday
As regularly as coffee or tea
You've got me in your clutches and I can't break free
You're getting to be a habit with me
