

Live It Up

Johnnyboyxo

Yeah! It's JohnnyBoy Bitches
And if you're one of them bad bitches
That like to pop bottles and smoke blunts
Let's go! Wake up in the mornin'
And i'm feelin' kinda hazy
Look up in the mirror
To why all these bitches hate me Like it when the beat drops
Its that 808 heat
808, 808 its that 808 beat Hair done, dressed up,
Boys just wanna sex me.
Callin' up my phone, ha.
Whatcha tryin test me? I'm the top tranny
Bitch you look a little heavy
Cause if you wanna war
We can take this shit to jerry Bridge
Got my weave in lookin' cute imma do it up
And bitch if you aint feelin' it then get up out da club
In stiletto heels rockin' it i dont give a fuck
We goin' out tonight everybody live it up Yeah! lets, lets live it up
Lets live it-
Everybody live it u-u-up
lets, lets live it up
We're goin' out tonight
Everybody live it up Chorus

Bitches if you aint feelin' it then get up out da club
Come on bitches give it up..
Bitches, bitches give it up
We goin' out tonight everybody live it up Verse 2
I don't have haters
Just the bitch that wants to be me
Copin' on my style
Like a Johnnyboy wanna be Just another fake hoe
Toss her in the fire
Nasty ass bitch
You'll never be me you're a liar Got a taste of whip lash
Make the flames higher
After this war,
Hunny, you can just retire Still i don't understand

Now why do you bitches bother
Take another shot, toast
My bank keeps gettin' higherBridge
Got my weave in lookin' cute imma do it up

In stiletto heels rockin' it i dont give a fuck
