

Africa [Feat Culture]

Karl Wolf

[Chorus]

It's gonna take a lot to drag me away from you
There's nothing that 100 men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never have.(ouuouu)

(Reggae break)

[Chorus]

It's gonna take a lot to drag me away from you
There's nothing that 100 men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never have.

And as I am walking through the subway
And all I noticed is everyone's perking eye
I follow in the foot steps
Imagine this in Africa(Africa)
You never know, maybe she's afraid(she's afraid)
And everything around her is so damn faint
I feel like we've meet before(meet before)
Hurry boy, she's waiting

[Chorus]

It's gonna take a lot to drag me away from you
There's nothing that 100 men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never have.(ouuouu)

The sun is rising on the east side
And every woman is waking up(waking up)
I feel the mexication
It makes you wanna dream, and fall in love (in love)
She drags you in, not afraid, everything is like clay
Whats wrong with you?
Don't let her go

Hurry Boy it's waiting.

[Chorus]

It's gonna take a lot to drag me away from you
There's nothing that 100 men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never have.(ouuouu)

Hurry boy.. Its waiting there for you

Down in Aaaff-

It's gonna take a lot to drag me away from you
There's nothing that 100 men or more could ever do
I bless the rains down in Africa(x4)
Gonna take some time to do the things we never have.(ouuouu)

Ahhhhh aaahhh aaahhhhhh aaaaahhh (reggae break)

So sing with me(x2)
This is Africa(x2)
Africa(ca ca ca)
