Fuse ODG

She hold my head oh mama
Oh oh oh got my eyes on diva
I go head over head for Tina
My cheerleader, she's my diva ohShe hold my head oh mamaShe hold my head oh mamaThere ain't no rain or nobody else to stop her loving her baby, oh yeah
There ain't no storm or no hurricane to stop her loving her baby oh (No way)
Even when the sea come carry me, know my Tina go come and save me, oh yeah
Not even the walls of Jericho can stop her touching her baby oh
(That's why I'm loving my lady oh)If you're alone as I'm way
It's like your arms is where I lay
Because I feel you when you pray
And I really know I'll be okayIf you're alone as I'm way
It's like your arms is where I lay
Because I feel you when you pray
And I really know I'll be okayShe hold my head oh mama
Oh oh oh got my eyes on diva
I go head over head for Tina
My cheerleader, she's my diva ohShe hold my head oh mama
Oh oh oh got my eyes on diva
I go head over head for Tina
My cheerleader, she's my diva ohLove the way she holds me
Telling me old stories
Like Nelson Mandela and the truth behind Tripoli
Love the way she holds me
When I'm down and lonely
Makes me feel all better
Telling me no don't you worrySince I came out the womb
Mama gave me my room
She be numero uno
I want the whole world to know
Since I came out my mama womb
Tina gave me my room
She be numero uno
I want the whole world to knowShe hold my head oh mama
Oh oh oh got my eyes on diva
I go head over head for Tina
My cheerleader, she's my diva ohShe hold my head oh mama
Oh oh oh got my eyes on diva
I go head over head for Tina

My cheerleader, she's my diva oh(Oh yeah yeah)
Tina na na na na yeah(Oh yeah yeah)
Tina na na na na oh(Oh yeah yeah)
Tina na na na na yeahAnd I love the way that she go(Oh yeah yeah)
