

This Fuckin Song

The Janoskians

La da dada da da
La da dada da da I'm never gonna pick up
Baby go ahead and give up
'Cause you're never gonna get a second chance You ain't even wasted
When you said I would never make it
So I guess I gotta prove that I'm the man You treat me like your hobby
And your telling everybody
That you didn't really love me like that
I'm 'bout to change my number
And I bet that you're gon' wonder
Why I never ever called your ass back You're gonna miss me when my songs on the radio
You're gonna hate this fuckin' song
It goes like
La da dada da da
You said you loved me
La da dada da da
You loved me... not
La da dada da da
I wrote this melody
You trying not to sing a long
You gon' hate this fuckin' song I don't think you get it
But I meant it when I said it
That you're never gonna get a second try
You said I was a zero
But I'm gonna be a hero
When I hit the red button every time You're gonna miss me when my songs on the radio
You're gonna miss me when i'm gone
I just can't wait until you hear me in stereo
You're gonna hate this fuckin' song It goes like
La da dada da da
You said you loved me
La da dada da da
You loved me... not
La da dada da da
I wrote this melody
You trying not to sing a long
You gon' hate this fuckin' song You told me I was gonna flunk baby
And get a job baby
And I was never gonna live in my dreams

Look in your iTunes
Had none of my songs
All you had was Adam Levine's
So baby don't despair
'Cause I see you
When you show up at my shows
You screwed up
'Cause I blew up
And you blow up my phone
That's karma I just can't wait until you hear me in stereo
You're gonna hate this fuckin' song It goes like
La da dada da da
You said you loved me
La da dada da da
You loved me... not
La da dada da da
I wrote this melody
You trying not to sing a long
You gon' hate this fuckin' song La da dada da da
You said you loved me
La da dada da da
You loved me... not
La da dada da da
I wrote this melody
You trying not to sing a long
You gon' hate this fuckin' song
