Nanana

Anaida

In this grey world where nobody sings
I saw the face of a human doll
Her eyes were glass and her hair was gold
From her sweet soft lips
You could hear that song go

Nanana nana, nanana nana, ...

In a place where hell is around the corner
I touched her hand it was baby sweet
She kissed me there
I could feel the song going down my throat
She was singing to me

Nanana nana, nanana nana, ...

My daddy said if you want to live
You better not touch this is not a toy
The truth is boy I'm a bloody fool
I left the one I loved behind, singing

Nanana nana, nanana nana, ...

Tell me what it is that brings me back to you
Tell me what it is I can't stop loving you
Tell me what it is that brings me back to you
Tell me what it is I can't stop loving you

Nanana nana, nanana nana, ...

So take me back to the land of yours
Where the black swan loves the one I lost
My generation sings with the radio on
The melody of the human doll

Nanana nana, nanana nana, ...
