# You Don't See Me

## The Rasmus

I'd like to tell you and I'd like to say
How I, I feel right now
And I'd like to follow you down the hall
And see where it goes from there
But you, you don't care
'Cause you don't see me that way
You don't see the way I look at you
When you are not looking at me
I wish that I could tell you every single thought I ever had
About you and me
But you don't see me that way
And I'd like to hold you here in my arms
And have you never leave
And I'd like to give you all that I have
To have you stay with me
Oh, but you, you don't see me
You don't see me that way
You don't see the way I look at you
When you are not looking at me

I wish that I could tell you
Every single thought I ever had
About you and me
But you don't see me that way
I stare at you across the room
I maybe make a move at you
I don't think you'd take it too well
I steal another glance or two
I maybe take a chance with you
But you, you don't need me
You don't even see me
And you don't see me that way
You don't see the way I look at you
When you are not looking at me
I wish that I could tell you
Every single thought I ever had about you and me
But you don't see me that way
No, you don't see me that way, no, no, no
No, you don't, see me, that way
