

Return to Zero

RTZ

before it gets too far
it's time to look at where we are
we're miles out to sea
from where we ought to be
ooooh it's a shame
violence comes to easily
they're dying in the streets
now this change is up to you and me This is no time for heros
we got to get back, get back, get back
Return to zero
Love is what we need
Love and understanding
Love is what we need
to get back on our feet
yeah
we've got to come down hardtimes bein' what they are
there's barely room to breathe
even in our own backyards
ooooh it's a sin
time will come when no one wins
hate is a disease
and it's catchin' up to you and me This is no time for heros
we got to get back, get back, get back
Return to zero
Love is what we need
Love and understanding
Love is what we need
to get back on our feet
Love is what we need
Love and understanding
Love is what we need
OOOHLove is what we need
Love and understanding
Love is what we need
to get back on our feet
Love is what we need
love and understanding
Love is what we need
to get back on our feet

Yeah
