Why Don't You Love Me

Hot Chelle Rae

See I can't wake up I'm living a nightmare
That keeps playing over again
Locked in a room so hung up on you
And you're cool with just being friendsLeft on the sidelines
Stuck at a red light
Waiting for my time
And I can't seeWhy don't you love me
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me, baby
Open up your heart tonight
'cause I could be all that you need
Why don't you love me
Why don't you love meSee I'm just too scared to tell you the truth
Cause my heart ache can't take anymore
Broken and bruised longing for you
And I don't know what I'm waiting forLeft on the sidelines
Stuck at a red light
Waiting for my time
So just tell meWhy don't you love me
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me, baby
Open up your heart tonight
I could be all that you need
Why don't you love me
Why don't you love meWhy don't you give me a reason
Please tell me the truth
You know that I'll keep believing
Till I'm with youWhy don't you love me
Kiss me, I could feel your heart tonight
It's killing me so
Why don't you love me
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me, baby
Open up your heart tonight
I could be all that you needWhy don't you love me
Why don't you love me

Why don't you love me
