Back Where You Belong

38 Special

I heard you're asking how I'm feeling
I guess I'll play it day by day
I'm still around now, my heart is healing
But some things never gonna change
'Cause now I know love ain't easy to find
I let you go, now I'm changing my mind
I know that love, it don't come easy
It took so long, it's been hard to find
So love, you must believe me
Ain't gonna let it slip away
I know I was wrong
I want you back where you belong
Want you back where you belong
Back where you belong
I played around now, I've done some dealing
I found that love should be with you
And so you're gone now, my head is reeling
Don't wanna be with someone new
And so I go, with this feeling inside me
'Cause I know what I'm leaving behind
I know that love, it don't come easy
It took so long, it's been hard to find
So love, you must believe me
Ain't gonna let it slip away
I know I was wrong
Want you back where you belong
Want you back where you belong
Back where you belong
I guess in time I stop and think it over
Everything that we've been through
This heart of mine may never find another
Who loves me just the way you do
I heard you're asking how I'm feeling
I guess I'll play it day by day
I'm still around now, my heart is healing
But some things never gonna change
'Cause now I know love ain't easy to find
I let you go, now I'm changing my mind
I know that love, it don't come easy

It took so long, it's been hard to find
So love, you must believe me
Ain't gonna let it slip away
I know I was wrong
Want you back where you belong
Back where you belong, hey, hey
I know that love, it don't come easy
It took so long, it's been hard to find
And so love, you must believe me
Ain't gonna let it slip away, baby
