

# 101 Vultures (Magic Man Remix)

Alex Winston

101 vultures,  
dirty up the water,  
but I am not your altar boy,  
you are not my father.  
And I don't mean to be so crass about the situation,  
but it's easier than breaking down.  
The reasoning your loose interpretation,  
in a sea of mother fuckers man, you were no salvation.  
Why'd you go leave me to the vultures,  
now it weighs so heavy on my soul.  
Why'd go leave me to the vultures,  
it got so heavy.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
We should've done better.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
should have done better.  
My god it's so perverted,  
to call yourself a legend,  
'cause I never met a hero,  
who would leave you in the trenches.  
And I don't mean to be so crass about the situation,  
but it's easier than breaking down.  
The reasoning your loose interpretation,  
in a sea of mother fuckers man, you were no salvation, face it.  
Why'd you go leave me to the vultures,  
now it weighs so heavy on my soul.  
Why'd go leave me to the vultures,  
it got so heavy.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
We should've done better.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
should have done better.  
101 vultures,  
dirty up the water,  
but I am not your altar boy,

you are not my father. And I don't mean to be so crass about the situation,  
but it's easier than breaking down.  
The reasoning your loose interpretation,  
in a sea of mother fuckers man, you were no salvation. Why'd you go leave me to the vultures,  
now it weighs so heavy on my soul.  
Why'd go leave me to the vultures,  
it got so heavy. And Oh Oh Oh Oh Oh,  
We could've done better,  
We should've done better.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
should have done better.  
My god it's so perverted,  
to call yourself a legend,  
'cause I never met a hero,  
who would leave you in the trenches. And I don't mean to be so crass about the situation,  
but it's easier than breaking down.  
The reasoning your loose interpretation,  
in a sea of mother fuckers man, you were no salvation, face it. Why'd you go leave me to the vultures,  
now it weighs so heavy on my soul.  
Why'd go leave me to the vultures,  
it got so heavy. And Oh Oh Oh Oh Oh,  
We could've done better,  
We should've done better.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
should have done better.  
Now I can't sleep at night, I'm not afraid, I'm terrified,  
and I can't sleep at night and I want to, I want to.  
And I can't sleep at night, I'm not afraid, I'm terrified,  
and I can't sleep at night and I want to, I need to know.  
And I can't sleep at night and I want to, I want to.  
I can't sleep at night and I want to, I need to know.  
Why'd you go leave me to the vultures,  
now it weighs so heavy on my soul.  
Why'd go leave me to the vultures,  
it got so heavy.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
We should've done better.  
And Oh Oh Oh Oh Oh,  
We could've done better,  
should have done better.
