Celebrate The Rain

Sidney Samson

Will the rain start falling tonight
'Cause I can no longer handle the light
We wander in a place of drought
When comes the flood that helps us outI wanna dance in the puddles and celebrate the rain
I wanna jump under the water and celebrate the rain
Plunge in the deep, forget the struggles and celebrate the rain
Together, we're strong, I wanna celebrate the rainI wanna dance in the puddles whoa whoa
I wanna jump under the water and celebrate the rainWill the rain start falling tonight
Because after the rain there will be light
We wander in a place of drought
When comes the flood that helps us outI wanna dance in the puddles and celebrate the rain
I wanna jump under the water and celebrate the rain
Plunge in the deep, forget the struggles and celebrate the rain
Together, we're strong, I wanna celebrate the rainI wanna celebrate the rainI wanna dance in the puddles whoa whoa
I wanna jump under the water and celebrate the rainI wanna celebrate the rain
Celebrate the rain
