Shrinking Violets

Phox

If you wanna run
If you wanna run
I will, too
But if you wanna stay
We can try and dodge all the things
That try to get in our way
Get out of our wayAnd they'll all say it's too soon
Two shrinking violets at full bloom
Hearts prolific in plain view
As lovely large as craters on our moonOn chamomile lavender days
I'll find peace under care
Of your razor-sharp ribcage
Your lifted ribcageAnd we can promenade
All along the bay
Oh neither ever afraid
Oh neither ever afraid
