Work Harder

Ronya

I'm shaking in my boots
Trying to dig my way
I wanna go through the roof
But it can't be that easy, yeah
I got a million things to do
See I'm tryina do my thing
But I'm holding on to you
Rolling with the punches, yeahWe are walking in the park
Till we see a way we can be what we want
We need to work harder
We can take on steps
If we just wanna start
To get away
I wanna make a mark
Can I follow through?
When the going gets tough
What else is there to do? Yeah
We need to work harder
Talk about my heart
I wear it on my sleeve
When you're feeling awful lot
It's hard to keep it in
Been acting like a fool
Trying to get away
So I'm telling you
Keep doing what you doWe are walking in the park
Till we see a way we can be what we want
We need to work harder
We can take on steps
If we just wanna start
To get away
I wanna make a mark
Can I follow through?
When the going gets tough
What else is there to do? Yeah
We need to work harder
All the things I ever wanted
Dreams raining down
All I ever wanted, ever could have had

Why am I sitting in my room instead?
I gotta work harder
Work harder, work harder
work harder, work harder
Working on
Work harder, work harder
work harder, work harder
