Queen Of The Rodeo

Alice In Chains

My daddy was a trucker
Left home when I was three
He fell for some dude in Dallas
Then it was mom and me
She always wanted a daughter
Well look at what she got
A'hit me, beat me, a fagot I ain't
But a real man they say, I'm not
I'm the queen, queen of the rodeo
Queen, queen of the rodeo
So cowboy, if you're lookin' for lovin'
I ain't no queer, go fuck a steer
I think there might be one right over there
I drink too much, I smoke too much
I'm a human waste
I buy a lot of cheap alcohol
But I'll tell you honey, I really hate the taste
I dressed in drag, they call me a fag
But boy, I really don't care
'Cause last night I met your mother, fucker
And I hope you like to share, 'cause she did
I'm the queen, queen of the rodeo
Queen, queen of the rodeo
So cowboy, if you're lookin' to fight
I ain't no wimp, I scratch and bite
And I'm gonna kick your ass too, I'm gonna do it
Queen, queen of the rodeo
Fuck you
Queen, queen of the rodeo
Queen, queen of the rodeo
