

Never Gonna Reach Me (Timmy Stewart Rmx)

Crazy P

I don't know what to say
You're never gonna reach me There ain't no easy way to say it
You're never gonna reach me I don't know what to say
You're never gonna reach me
There ain't no easy way to say it
I'm still contemplating
Thought that you might get the message
You're sending my head west Know what you don't say
I try to make it easy
So I can't hear me
Can you hear me breathing
Told you it was OK to smile
But you might crack your face up
Shouldn't have drank that vodka with you
I think I rather left you I don't know what to say
You're never gonna reach me
You're never gonna reach me
You're never gonna reach me
I don't know what to say
No
Never gonna reach me no
No
Hey
NoWooh oh
Never gonna reach me
I can love you both ways
I've been jumping up at shadows yeah
But I can love you both ways
I've been jumping up at shadows yeah Hey yeah eh
Jumping up at shadows yeah
I can love you both ways Whatcha gonna do when I fall out of love baby
Whatcha gonna do when I fall out of love baby
Whatcha gonna do when I forget your name baby
Whatcha gonna do when I forget your name baby Whatcha gonna do when I fall out of love baby
Whatcha gonna do when I forget your name baby
Whatcha gonna do when I fall out of love baby
Pack up your troubles and walk away boy
I said Pack up your troubles and walk away boy
Before I come and get you
