

Wild

Jessie J

If I go hard, let me tell you that is worth it
Play the right cards, I ain't afraid to work it
Brushing right off, when they say I dont deserve it
Hands on my heart, you keep my fire burning
Ooh it feels so crazy when you scream my name
Love it when you rock me over every day
When I think about it I can go insane
Here we are as beautiful, im blown away
If this is a dream, won't open my eyes,
Am I asleep? No, I'm alive
I just can't believe that this is my life
In my fantasy we're running wild
If this is a dream, won't open my eyes,
Am I asleep? No, I'm alive
I just can't believe that this is my life
In my fantasy we're running wild
When it get wet, then the rain starts pouring
I turn up the heat cuz the drama ain't important
Let em all talk talk, I'mma just ignore it
Hands on my heart, you you keep me moving forward
Ooh it Feel so crazy when they scream my name
[Big Sean]B.I.G. Sean Dun?. OK
Now I woke up feeling like a mirror
I spend about an hour looking in the mirror
As I should, as much as I've been through
Is no wonder, I look this damn good
I'll probably make it out any situation, that you try to put me into
If I spoil myself around its guaranteed that i'll probably have a fish dinner
I meet a young girl with a sex shape
Like Jessie J we escapade
Where its extra shape
She make me want to give in not take like collection plates
Woah
All these wars, bras, cars, wall to wall
Is all a mirage
And I could lose it all tonight
Just to show the world I could do it twice
With my life
If this is a dream, won't open my eyes,

Am I asleep? No, I'm alive
I just can't believe that this is my life
In my fantasy we're running wild

If this is a dream, won't open my eyes,
Am I asleep? No, I'm alive
I just can't believe that this is my life
In my fantasy we're running wild

Di-Di-Di-DIZZEE!

[DIZZEE RASCAL]Rass Collar Double the dollar
Im a jetsetter, brother more hitched on the white collar

But I can't be boxed
Flow tighter like Bob Marley locks,
I can't be dropped

Im at a P, cuz I can't be touched

Im wilding out

Lost ah blood

I can't be stopped

Pull up in a Narley Warri, buy me what?

Opposite, I can't believe

If i'll ever get the party what? I can't be blocked

10 years plus running the game

You brothers just come in the game

But now im coming again

To get the people from going fuming insane

100 fives and people going vocals in the mother marine

Women on shoulders, tops off, shouting my name

Im all in dey brain

Why would I complain?

I thought I was the boy in the corner

But now im in a penthouse

N-gga where is the water?

Im living

If this is a dream, won't open my eyes,

Am I asleep? No, I'm alive

I just can't believe that this is my life

In my fantasy we're running wild

If this is a dream, won't open my eyes,

Am I asleep? No, I'm alive

I just can't believe that this is my life

In my fantasy we're running wild

[Outro]Wild Wild Wi-Wild

Woohoooh

Wild Wild Wi-Wild

Wild Wild Wi-Wild
Woohoooh
Wild Wild Wi-Wild
Woohoooh oh
