

# My, My, My

Rob Thomas

The light from the window is fading  
You turn on the night  
The sound from the avenue's calling you  
Open your eyes  
And when you find you're spending your time  
Wanting for words but never speak  
You tell yourself that the things you need come slow  
But inside you just don't know  
My, my, my  
Let your bright light shine  
Let your words live on  
Far beyond this life

Beyond this life  
Hold on to anything  
Everything's over and done  
Has the fear taken over you  
Tell me is that what you want  
To make up your life  
Time after time you're falling behind  
Hold on to me, never leave  
Forever be what you mean to me right now  
Don't you feel better now
