Sunrise (feat. Jason Walker)

Kygo

Wake me up, my eyes are heavy
And I need some sun
One hit I'm ready for whatever comes
Nothing can keep me from you
Nothing can keep me from youSomething about the things you told me
Oh, I brought'em down
Yeah, I took'em with me to the place we found
And I'll be waiting for you
Yeah, I'll be waiting for youI follow the moon
From the dark to the break of dawn
We let it lose
Smoking weed and writing songs
Meet me at the sunrise, at the sunrise
I can get you so high, so high
Burning up the daylight, in the daylight
Meet me at the sunrise, sunriseCalled my name 'cause I'm so lost
And I don't know this place
I got this feeling that I just can shake
Nothing can keep me from you
Nothing can keep me from youI follow the moon
From the dark to the break of dawn
We let it lose
Smoking weed and writing songsMeet me at the sunrise, at the sunrise
I can get you so high, so high
Burning up the daylight, in the daylight
Meet me at the sunrise, sunrise
Meet me at the sunrise, at the sunrise
I can get you so high, so high
Burning up the daylight, in the daylight
Meet me at the sunrise, sunrise.
