

Georgica Pond

JOHNNYSWIM

One day when I'm gone
Scatter my ashes on Georgica Pond
Litter my memory down Lily Pond Lane
And that's where I'll stay
Oh come visit me often
Just whisper my name
And I'll come alive on the dunes and the waves
And I'll be your lighthouse, I'll be your lighthouse
And I'll be your lighthouse, you'll be one for me
One day when I'm free
Take a ferry ride over and be close to me
Build a house by the rock where the bay meets the sea
Where the dreams of my mother are buried like seeds
And I'll be your lighthouse, I'll be your lighthouse
And I'll be your lighthouse, you'll be one for me
Cause time is the worst kind of friend
Always there till you need it, then gone in the end
Oh but love is stronger than it, love is stronger than it
So if you're ever like me
Daydreaming how different this life would be
If the ones you loved most hadn't take their leave
And wishing your babies could know your daddy and me
Know that I'm still your lighthouse, yea I'm still you're lighthouse
And I'll be your lighthouse, you'll be one for me
