

# My Heart Skips a Beat

Dwight Yoakam

Oh, my heart skips a beat as we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
Makes my heart skip a beat Well, I did a double take the day I met you  
My heart turned a flip as I stood next to you  
And I knew right there I never could forget you  
For you are my every dream come true And my heart skips a beat as we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
Makes my heart skip a beat Well, you came into my life without a warning  
You turned my cloudy skies from gray to blue  
You're my sunshine that comes up every morning  
Oh yes, you are my every dream come true
