24 hours are not enough  
When Iâ€™m with you,  
When I lock eyes with you  
24 hours are not enough  
When Iâ€™m touching you  
And when youâ€™re touching me

24 hours (uh uh)  
24 hours (baby baby)  
24 hours (uh uh)  
24 hours (baby baby)

Time goes so fast  
A day with you feels like 1 minute,  
Iâ€™m going crazy  
(Itâ€™s a pity, itâ€™s a pity)  
When I go to you, I run  
When I have to go, my feet wonâ€™t go,  
They wonâ€™t leave  
(Itâ€™s a pity, itâ€™s a pity)

When Iâ€™m looking at you,  
I forget everything  
You fill me up all the way  
When Iâ€™m holding you,  
Everything is perfect  
I want to stay like this forever

24 hours are not enough  
When Iâ€™m with you,  
When I lock eyes with you  
24 hours are not enough  
When Iâ€™m touching you  
And when youâ€™re touching me

24 hours (uh uh)  
24 hours (baby baby)  
24 hours (uh uh)  
24 hours (baby baby)

When our hands touch,  
Electricity spreads all over my body  
I close my eyes, what do I do?  
(Going crazy, going crazy)  
The more I drink, the thirstier I get

The more I taste, the more my body seeks

Iâ€™m falling into you  
(Going crazy, going crazy)

When Iâ€™m looking at you,  
I forget everything  
You fill me up all the way  
When Iâ€™m holding you,  
Everything is perfect  
I want to stay like this forever

Iâ€™ve never felt like this before  
So falling endlessly is so scary  
But if itâ€™s you, if you will catch me  
Iâ€™m not afraid,  
I want to keep going

24 hours,  
24 hours,  
24 hours,  
24 hours

24 hours are not enough  
When Iâ€™m with you,  
When I lock eyes with you  
24 hours are not enough  
When Iâ€™m touching you  
And when youâ€™re touching me

24 hours (uh uh)  
24 hours (baby baby)  
24 hours (uh uh)  
24 hours (baby baby)
