

A Hole in the Wallet

Gang of Four

Education is their business
Women to know that they are equal Why work for love if it shows no profit
You'll only earn emotional losses
Wasting time a hole in the wallet There is only one condition
Stay in bed or in the kitchen Better not (you'll only earn emotional losses)
Disrupt their passions Mirror reflect their teaching
Make up makes up for your nature Make up makes up for your nature
You're for seeing and not for hearing
Their commands are in your interest Why work for love if it shows no profit
You'll only earn emotional losses
Wasting times a hole in the wallet Their commands are your interest
There is only one condition
You're for seeing and for the taking Why work for love if it shows no profit
You'll only earn emotional losses
Wasting times a hole in the wallet Better not (you'll only earn emotional losses)
Disrupt their passions Education is their business
Women to know that they are equal
There is only one condition
Stay in bed or in the kitchen
