

You Can't Put Your Arms Around A Memory

Guns N' Roses

[spoken] This one's for you Johnny It doesn't pay to try It doesn't mean, I didn't try All the smart boys know why I just never know, why It's isn't 'cause I'm all alone And when I'm home Big deal, I'm still alone Oh, baby, you're not home It's so restless, I am Beat my head against a pole Try to knock some sense, down 'side my bones And even though it don't show Those guys are so old Can't put your arms around a memory Can't put your arms around a memory Can't put your arms around a memory Don't try Don't try And you got no name You're just a basket case Could you live with me? Go on and say And even though it don't show Those guys are so old Can't put your arms around a memory Can't put your arms around a memory Can't put your arms around a memory Don't try Don't try [spoken] Johnny you're me I wanna put my arms around your memory
Yeah, you're memory I can't try... Don't try I can't try
