

# Into Dust

[Mazzy Star](#)

Still falling  
Breathless and on again  
Inside today  
Beside me today Around broken in two  
Till your eyes shed into dust  
Like two strangers turning into dust  
Till my hand shook with the weight of fear I could possibly be fading  
Or have something more to gain  
I could feel myself growing colder  
I could feel myself under your fate  
Under your fate It was you breathless and torn  
I could feel my eyes turning into dust  
And two strangers turning into dust  
Turning into dust
