

# What Did You Expect?

Richard Walters

I want explosions  
Not slow motion  
I want color  
Not grainy black and white

And when I see you  
I wanna feel like  
I just met you  
For the first time

Truth bites  
But it hurts you more to lie  
don't you find  
Theres no right answer

Maybe Ive had too much  
Never had quite enough  
When it came down to love  
What did you expect

Haven't you heard the news  
Lovers are made to lose  
When it came to me and you  
What did you expect  
Oh what did you, what did you, what did you expect?

Be inpatient  
to come face them  
Well this ought to be  
something it couldn't be

Expectations  
We were chasing  
have a runners  
Left us lying in the street

Truth Bites  
But it hurts you more to lie  
don't you find

Theres no right answer

Maybe Ive had too much  
Never had quite enough  
When it came down to love  
What did you expect

Haven't you heard the news  
Lovers are made to lose  
When it came to me and you  
What did you expect

Oh what did you, what did you, what did you expect?

Oh what did you, what did you, what did you expect?  
Oh what did you, what did you, what did you expect?  
Oh what did you, what did you, what did you expect?

Truth Bites

But it hurts you more to lie  
don't you find  
Theres no right answer

Truth hurts  
But lying makes it worse  
Don't you find

Maybe Ive had too much  
Never had quite enough  
When it came down to love  
What did you expect

Haven't you heard the news  
Lovers are made to lose  
When it came to me and you  
What did you expect

Oh what did you, what did you, what did you expect?

Oh what did you, what did you, what did you expect?  
Oh what did you, what did you, what did you expect?  
Oh what did you, what did you, what did you expect?

Maybe Ive had too much  
Never had quite enough  
When it came down to love  
What did you expect

Haven't you heard the news  
Lovers are made to lose  
When it came to me and you  
What did you expect
