

Valentine

XXXTENTACION

Valentine, I watched my red rose turn to gray
Let me be, I give your Lord my soul to take
It won't hurt me now, I'm numb to all the pain
Heaven or hell, I don't know which path to take

Valentine, where are you now?

'Cause its people that I hate

'Cause my heart has run away

Valentine, where are you now?

'Cause its people that I hate

'Cause my heart has run away

Where are you now, now, now?

Where are you now?

'Cause its people that I hate

'Cause my heart has run away

Where are you now?
