The Zephyrs

When I'm falling down
Will you pick me up again?
When I'm too far gone
Dead in the eyes of my friendsWill you take me out of here?
When I'm staring down the barrow
When I'm blinded by the lights
When I cannot see your faceTake me out of here
Take me out of here
Take me out of here
Take me out of hereAll I believe
And all I've known
Are being taken from me
Can't get homeYeah, do your worst
When worlds collide
Let their fear collapse
Bring no surpriseTake me out of hereFeed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with meFeed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with meJust stay where you are
Let your fear subside
Just stay where you are
If there's nothing to hideFeed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with meFeed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with meFeed the fire, break your vision
Throw your fists up, come on with me
