On to You

Carlene Carter

Ridding along the same old boat
Gotta sink your feet, and our love wont float
The sun don't shine as the cloud passes by
An emotion of penniless tears you made me cry
So sorry captain I'm taking over this ship
Oh its mutiny baby cause I just got hit[Chorus]
I'm on to you, I'm on to you
I know each and every little thing you do
I'm on to you baby, in on to you
O.N.T.O.Y.O.UYou had me walking the plank and eventually shoved
Fell head over heels and into the sea of love
Swimming in circles and dodging them sharks
But when he got there no put a man on that ark
If I had any sense I would come to my senses
Start drowning my sorrows start getting intense[Chorus]Somebody stopped me before I started
I got him feeling ? that was the original sin
C'mon baby let me spell it out for you
I'm O.N.T.O.Y.O.U[Repeat: x3]
I'm on to youI'm O.N.T.O.Y.O.U[Repeat: x2]
I'm on to youI'm O.N.T.O.Y.O.U
