

The Girl In the Dirty Shirt

Oasis

If I may be so bold that I just say somethin'
Come and make me my day
The clouds around your soul
Don't gather there for nothin'
But I can chase them all away Why do you need a reason for to feel happy
Or shining for the rest of the world
Give me just a smile and would you make it snappy
Get your shit together girl You've got a feeling lost inside you
Just won't let you go
Your life is sneakin' up behind
It just won't let you go
No it just won't let you go Is what I'm tryin' to say, is would you maybe
Come dancin' with me 'cos to me it doesn't matter
If your hopes and dreams are shattered
When you say somethin', you make me believe
Yeah, the girl who wears a dirty shirt
She knows exactly what she's worth
She knows exactly what she's worth to me
But I can see, I can see If you ever find yourself inside a bubble
You gotta make your own way home
You can call me anytime you're seein' double
Now you know you're not alone You've got a feeling lost inside you
Just won't let you go
Your life is sneekin' up behind
It just won't let you go
No it just won't let you go Is what I'm tryin' to say, is won't you maybe
Come dancin' with me 'cos to me it doesn't matter
If your hopes and dreams are shattered
When you say somethin', you make me believe
You're the girl who wears a dirty shirt
She knows exactly what she's worth Maybe she'll come dancin' with me
'Cos to me it doesn't matter
If her hopes and dreams are shattered
When she says somethin', she'll make me believe
You're the girl who wears a dirty shirt
She knows exactly what she's worth to me She knows exactly what she's worth to me
She knows exactly what she's worth to me
She knows exactly what she's worth to me
She knows exactly what she's worth to me Now I see

Now I see

Now I see
