

# Stray

## Swim Deep

Take me out today, but tell me the way  
To tell my friends that I'll be home another day  
    Take me all the way, throw my  
        path astray  
    But make it so I don't grow another day  
    Say I'm not leaving  
Say I'm just finding my way home  
    Give me inspiration for my lack of attention  
        And I will try make my time feel  
            like tension  
        Give me a connection to this weird convention  
    And I will try to make my time something to mention  
        Say I'm not leaving  
    Say I'm just finding my way home  
        Say what you mean  
    Come on stray outside, stray outside with me.
