

Love Never Fails

Brandon Heath

Love is not proud, love does not boast
Love after all matters the most
Love does not run, love does not hide
Love does not keep locked inside Love is a river that flows through
Love never fails you Love will sustain, love will provide
Love will not cease at the end of time
And love will protect, love always hopes
And love still believes when you don't Love is the arms that are holding you
Love never fails you When my heart won't make a sound
When I can't turn back around
When the sky is falling down
Nothing is greater than this, greater than this 'Cause love is right here, love is alive
Love is the way, the truth, the life
Love is the river that flows through
Love is the arms that are holding you And love is the place you will fly to
Love never fails you
