

I Worship You (Music Video)

Mary Mary

I was lost
But you came and found me
You left your throne
Thinking about me
You bled and died
To show me mercy
You gave your all
Because you saw my need
I was empty
You came and filled me
I was blinded
But you helped me to see
I was broken
But you made me whole again
I felt like nothing
But you gave me confidence
And I'm filled with so much gratitude
That words are not enough
To explain the magnitude the passion of my love[Chorus]
You took everything I was and made me what I am
And with all I am I worship you [Repeat: x2]New life
When I was dying
You were strength
When I was crying
You were right
And I was so wrong
A melody
When I had no songAnd I'm filled with so much gratitude
That words are not enough
To explain the magnitude the passion of my love[Chorus: x4]Key change (solo ad lib)[Chorus]Key change (solo

the rest of me)[Chorus: x2]I worship youYou took everything I was and made me what I am
And with all I am I worship you [Repeats]
