Shattered

O.A.R.

In a way I need a change from this burnout scene
Another time, another town, another everything
But it's always back to youStumble out in the night from the pouring rain
Made the block, sat and thought, "There's more I need"
It's always back to youBut I'm good without ya
Yeah, I'm good without you
Yeah, yeah, yeahHow many times can I break till I shatter?
Over the line, can't define what I'm after
I always turn the car aroundGive me a break, let me make my own pattern
All that it takes is some time but I'm shattered
I always turn the car aroundHad no idea that the night would take so damn long
Took it out on the street while the rain still falls
Push me back to youBut I'm good without ya
Yeah, I'm good without you
Yeah, yeah, yeahHow many times can I break till I shatter?
Over the line, can't define what I'm after
I always turn the car aroundGive me a break, let me make my own pattern
All that it takes is some time but I'll shatter
I always turn the car aroundGive it up, give it up, baby
Give it up, give it up, now
NowHow many times can I break till I shatter?
Over the line, can't define what I'm after
I always turn the car aroundAll that I feel is the realness I'm faking
Taking my time but it's time that I'm wasting
Always turn the car aroundHow many times can I break till I shatter?
Over the line, can't define what I'm after
I always turn the car aroundDon't wanna turn that car around
I gotta turn this thing around
